

Job Title: Sr. Physical Therapist

Location: Langhorne, PA

Company: Inner Circle Physical Therapy & Myofascial Release Center

We are looking for a licensed Physical Therapist to join our practice and provide therapy and rehabilitation services to patients in our facility. We currently have 3 PTs on staff all of which have been with us for 12+ years due to our positive, progressive work environment. Inner Circle is a place where we are constantly learning and improving and would like to add somebody who is openminded, very interested in the manual aspect, very self-aware and willing to continuously learn. The ideal candidate is a compassionate healer who is passionate about their patient's wellness and committed to help them find their mobility and independence. Come join the practice that's won Best of Bucks 9 years in a row!

Key Responsibilities:

- Perform initial and ongoing physical therapy evaluations according to APTA standards of practice as well as state standards
- Develop a plan of Treatment for each patient based on initial and ongoing evaluations including short and long-term goals, collaborating with other staff members, and required patient and caregiver involvement
- Document patient progress according to approved medical documentation and facility documentation procedures
- Evaluate mobility, strength and current level of patient function, while setting goals to improve in these areas that are scaled to patient abilities and realistically attainable
- Keep track of patient progress, and report progress to patient, caregivers and loved ones, as well as facility staff and healthcare providers as needed
- Develop a plan for patients following completion of their plan of treatment
- Assist staff members to provide a safe, clean, effective environment
- Training new hires

Requirements:

- MPT, or DPT degree required.
- Experience using Manual techniques, or practice in MFR (Myofascial Release)
- At least 5 years of working experience as a licensed PT
- Current Physical Therapy license for state of operation
- Advanced certifications in specialized areas of physical therapy (e.g., orthopedics, neurology) are a plus.
- Ability to work with patients aged 8 years and up
- Ability to work with 2-3 patients per hour
- Can commit to a flexible work schedule of 4 days and 3 evenings (no weekends)

Physical Requirements:

- Ability to stand, walk, and sit for extended periods.
- Capability to lift and move patients and equipment as necessary.
- Manual dexterity to operate therapy equipment.

Benefits:

Competitive salary and benefits package.
Continuing education opportunities.
Supportive and collaborative work environment.
Opportunities for professional growth and advancement.

How to Apply:

Interested candidates are invited to submit a resume to timalloway@innercirclept.com.

Inner Circle Physical Therapy & Myofascial Release Center is an equal opportunity employer and is committed to creating an inclusive environment for all employees. We celebrate diversity and encourage individuals from all backgrounds to apply.
